

Intermediate Training Program (IP6)

Practical Training: Flow Cytometry

Cost: AED 7,000
(VAT is not included in the above price)

Duration	3 Days
Format	Lecture + Hands-On Laboratory Training
Target Group	Individuals seeking to upskill their knowledge through up-to-date medical training programs. Open to licensed healthcare professionals and individuals holding a minimum of a bachelor's degree in a healthcare-related field.
Location	FSG Lab – Meeting Room FSG Stem Cell Laboratory
Certificate	Certificate of Completion

Program Overview

This 3-day course provides a focused introduction to flow cytometry for healthcare professionals involved in cell-based diagnostics and research. Participants will learn flow cytometry principles, setup, data acquisition, and analysis through a combination of lectures and guided laboratory sessions.

Program Objectives

By the end of the training, participants will:

- ✓ Understand the principles and instrumentation of flow cytometry
- ✓ Perform basic sample preparation and run setup
- ✓ Conduct data acquisition, gating, and analysis
- ✓ Apply flow cytometry in clinical and research settings
- ✓ Adhere to QA/QC and regulatory documentation standards

Training Summary

- Flow Cytometry Principles & Instrumentation
- Run Setup and Demonstrational Overview
- Practical Lab on Sample Prep, Run & Acquisition
- Hands-on Flow Cytometry Analysis
- Final Feedback, Evaluation, and Certificate Distribution

Why Train with Us?

- Delivered in partnership with Eppendorf, a global leader in life science lab technologies
- Conducted in a GMP-certified facility
- Access to advanced equipment
- Real lab setting + simulated experience = best of both worlds
- Personalized supervision by licensed technologists and research trainers
- Structured to meet university-accredited elective training requirements

Application & Registration Workflow

1

Submit Training Inquiry

Via www.fsg-lab.com or email

2

Receive Eligibility Confirmation

With slot availability and instructions

3

Prepare & Submit Full Application

- DHA License Copy, if available (front & back)
- Passport copy or Emirates ID (front & back)
- Passport-size photo (white background)
- CV/resume

4

Application Review & Confirmation

FSG will confirm acceptance and finalize schedule

5

Receive Invoice & Settle Fee

Via bank transfer or approved method

6

Receive Pre-Training Instructions

Including schedule, dress code, and lab rules

7

Begin Training

With original passport/EID and student ID

8

Complete Training & Receive Certificate

Upon successful attendance and conduct

Terms & Conditions

Once a training slot is confirmed and invoiced, the fee becomes non-refundable. Attendance, punctuality, and adherence to lab conduct and dress code are mandatory. FSG reserves the right to modify training schedules or venues with prior notice.
